HEALING FELLOWSHIP

The Kris Krafters are known for generously giving to others who are in need. But once-in-a-while, it is good to reflect on what the Kris Krafters give to each other.

Christian fellowship gives the Kris Krafters a powerful tool for healing. At a recent meeting in Wilson Fellowship Hall, several people were welcomed back from hospitalizations, rehab, and chronic illnesses. There were lots of smiles and greetings for those who were missed.

Being able to come to church, gather together and do something productive marked a milestone of recovery. We rejoice with them as they continue to recover.

Everyone is welcome to come join the Kris Krafters on Thursday, August 1 & 15 at 9:00 a.m. in Wilson Fellowship Hall.

**THE GREEN IS GONE

THE CHOIR ROOM IS WHITE AND BLUE!**

A fresh coat of paint is brightening up the Choir Room at Willowbrook. Under the direct supervision of Dick Preisendorf, several volunteers gave the Choir Room a good washing, a coat or two of primer and paint. Thanks to Fred Poole, Gene Ambroson, Sharon Major, Cathy Hoben Calhoun and Robb Butler.

UNITED METHODIST WOMEN SUNDAY
Sunday, September 15

The worship service will be led by
United Methodist Women

Guest speaker will be from Wesley Community Center

NOTE: As you clean out your closets this summer, remember we will be having an **ACCESSORY FASHION SHOW** in October. Following the fashion show, all items will be donated to **WHEAT's Clothes Silo***. We are looking for scarves, costume jewelry and purses. Items should be in good condition.

***What is WHEAT's Clothes Silo?**

In 1985, WHEAT founded its Clothes Silo, a major program serving a vital need in our community by providing that "something extra" for women who are looking to be gainfully employed. The services provided by WHEAT's Clothes Silo help economically disadvantaged women acquire jobs, succeed in the workplace, build careers and achieve the ultimate goal of an improved quality of life for their children and families.

Appropriate attire is essential for succeeding in an interview and acquiring a job, but most economically disadvantaged women can't afford appropriate clothing; without the clothes, they can't get a decent job. WHEAT's Clothes Silo solves this problem by providing a personal shopper to each client in our boutique, filled with women's apparel. Each client is welcomed to WHEAT's Clothes Silo by our cadre of volunteers as she prepares for a job interview that can change the course of her life. Our volunteers and staff gently guide the client through the clothing selection process, making recommendations and nurturing her self-esteem. Clients are given one complete outfit of business attire for the job interview or their first day on the job. Many women walk out the door of WHEAT's Clothes Silo on a cloud – amazed and overjoyed at their own reflection in the mirror.

WHEAT's Clothes Silo serves over 7,000 women in Arizona, annually, with a free, professional outfit. These women are referred from 123 statewide social service and job-readiness training agencies.

**THE PLACE OF BURIED TREASURE:
FROM THE GARDEN OF EDEN TO VENTURA, CALIFORNIA
WAS THERE ONE TREE OR TWO?**

For as long as I can remember, the hills above the city of my birth, Ventura, California have had two majestic trees growing high above the city, like two sentinels looking over the inhabitants below, I have always remembered them, two solitary trees standing over a beautiful city on the Pacific Ocean. It was at the base of those rolling hills where I sat and studied my assignments from Ventura College where I started my college classes. I would watch sail boats on the ocean as I sat on the lawn of the college beneath those hills with the two trees on them.

I remember standing with my father one day looking at the trees when I was a young man and he told me, almost embarrassed to share, that when he was a boy he used those trees as the focal point of a school assignment in creative writing. He shared with me that he wrote a story about pirates sailing up the California coast with treasure that they wanted to hide. They selected the base of those two trees to bury their treasure. I have remembered that ever since.

When I saw the trees recently I thought that there were the two trees as always. I found out differently. What I didn't know was that those trees were actually the last of 13 original trees planted in 1898. That was fascinating. What I found out next was sad. One tree had died and was replaced to give the appearance of the famous "two trees", and then in the Thomas fire over a year ago the last tree, which was old and struggling, was burnt by the fire and is no longer alive. I am grateful that there are still trees up on the hill but they are not the trees of my childhood. Does it make a difference? Emotionally in terms of memories and the fondness of looking at them, yes, in terms of beautiful trees, no. I do like knowing the truth.

There is another story, this one found in the Bible that proves different than our memories. Do you recount the story of Adam and Eve? What we might remember is that Eve after being tricked by the serpent ate the apple from the forbidden tree and then gave some to Adam and he ate as well. Well, a closer reading shows that Genesis 2-4 actually reveals some important details when you actually read it and it shows that there were two trees. The tree of the knowledge of good and evil (Genesis 2:17) and also the tree of life (Genesis 3:24) are described in the story. Does it make a difference whether it is one tree or two? It sure does! There is so much more to understand by looking at what these two trees represent. The whole story of the crucifixion and resurrection has greater meaning in light of the understanding of good and evil. The whole New Testament story is richer with these details and understanding. The tree of life represents the eternal life like the promise that Jesus made to the criminal who was being crucified with him when he assured him that, "Truly I tell you, today you will be with me in Paradise." (Luke 23:43) There are so many fascinating points to the Bible. Understanding the fullness of scripture is for me like looking at the real historical trees. Don't be shortchanged by not looking at scripture in the fullness of its context and truth. So here's the plug! Please come and join us in the Pastors Academy when we look at the interesting details of the Bible and how they offer truths to us today.

Does the Bible speak truth today? It does to me! Again, come join us in Pastor's Academy after we finish our current study entitled "Nearing Home"! Studying the Bible is like sitting under a great old tree. That seems cool to me.

See you in church,

Pastor Gary Kennedy

THANK YOU ONE AND ALL

In our hour of need
Let God's Blessings flow
For He is with us always
Time and place we do not know.

They come lie the sun's rays
To heal our soul and our hearts
For we must always know that;
In our lives He has a part.

This note of love is sent
That prayers for all will be heard
All the love being sent to you
Is found in the pages of God's Word.

Marian Sheeley (7/2/2019)

Dearest Willowbrook Friends & Family,

Thank you all so very much for your thoughts & prayers, cards & well wishes given me during my recovery. They have meant so much to me.

I am on the mend, and look forward to being there with you all again soon!

Most sincerely,
Linda Bonnell

You may know that I have been ill for the better part of the last year, and I want to take this opportunity to thank all of you for your prayers, calls, cards and many other kindnesses.

I am doing much better for which I am very grateful. Special thanks go to our pastoral staff for their visits and care. I especially look forward to the Andrew Ministry messages on Sunday mornings.

My husband and I were Stephen Ministers many years ago and so enjoyed serving in that capacity; but now that I've been on the receiving side, I better understand what an important and vital ministry it is. Please know how appreciative I am for all your expressions of love and concern.

Lovingly,
Bette Mann

Water and Food Needed

Hunger continues to be one of the largest social issues in our community. The Salvation Army provides direct services to our communities' most vulnerable. The Army's Surprise location is an "official" hydration station for our area.

With that in mind, over the next few months, the Salvation Army has asked us to remember to donate bottled water as well as non-perishable foods.

Thank you for your ongoing support.

August 3 & 4, 2019
Non-perishable food & water or cash

The Friend who can be silent with us in a moment of despair or confusion, who can stay with us in an hour of grief and bereavement, who can tolerate not knowing, not healing and face us with the reality of our powerlessness, that is the friend who cares.

IS SUMMERTIME STRESS SLOWING YOU DOWN/

We like to think of summer as being a relaxing, enjoyable time. But hurts, struggles, crises and problems don't take a vacation.

Many times our difficulties seem even worse during the summer months because everyone else seems to be enjoying life while you are feeling down. If you are experiencing this "down" time—emotionally, spiritually or relationally—you don't have to suffer alone.

Contact the Stephen Ministers to help you through whatever you or someone you know is facing. It's free! It's confidential! And it will make a wonderful difference!

We're here to help. Just call on us. We'll be there because we care and care deeply.

Our condolences to family and friends on the death of the following Willowbrook members & family & friends:

- Diane Haugen on June 23
- Ken Miller on July 15

So faith by itself, IF IT HAS NO WORKS, is dead.

JAMES 2:17. NRSV

Recently received messages of thanks:

"On behalf of **HART PANTRY** I wish to thank you for your recent donation. I am aware that there are many good and important non-profits in the valley and it is a true blessing that you choose to continue to support Hart Pantry's mission."

"Thank you so much for your generous donation to **Sun City Meals on Wheels**. Please know that the contribution is greatly appreciated. It is our mission to make a difference in the lives of those we serve. We use your donation to subsidize meals for those clients who cannot afford to pay for their meals. Your financial assistance will truly help us in this endeavor."

"On behalf of **Valley View Community Food Bank**, I would like to thank you for your recent contribution. Your financial support helps us to continue in our mission and to assist people in our community. The generous support of individuals like you makes it possible for our organization to exist and to continue fighting hunger!"

"Your gift came across my desk today and I was incredibly moved. Your generosity will change the lives of families, women, and youth at **UMOM**. Because of you in 2018:

- 3,367 families were served in our family housing hub;
- 77% of UMOM clients exited from our programs to positive housing;
- 8,675 individuals were served in 2017-2018 to help end homelessness."

"On behalf of the **Salvation Army**, we would like to thank you for your generous gift. We will use your donation wisely and apply it towards our efforts to assist the needy. These are folks who live in our neighborhoods, who shop at our grocery stores, and unfortunately are facing challenging times during this economical set back."

None of these donations could have been made without the support of our Willowbrook community. On behalf of the Outreach/Missions Committee, **THANK YOU!**

JUST A NOTE FROM THE PRESIDENT

The executive committee and I bid each and every brother in Christ a fond hello. We are excited about the upcoming events this October, and the opportunity to share God's word with all of you.

As all organizations do, our executive committee has ups and downs. We have some holes on our executive board that need to be filled.

Our secretary, Carolyn Cooper has asked to step away because of some outside responsibilities. Vice-President Loren Littlefield who has been an active member since 2002 has graciously asked to have his position filled as well.

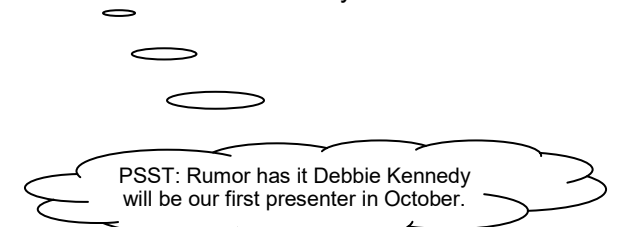

We bring this to your attention in an effort to preserve this valuable program and help it grow and continue to provide different avenues of faith-building in our vibrant community. Should you feel moved to volunteer to fill either of these positions, please contact me, David Shontz, Ken Mowry or Loren Littlefield. Or even possibly ask Carolyn questions about the secretary position.

IDENTIFY YOUR GIVING

Identify Your Gift

Many of you are now taking advantage of having Retirement Distribution Checks sent directly to the church to satisfy your pledge commitment. However, some distributions are coming in without a givers name on them. This in turn makes it impossible for us to give you credit for the giving.

Please, if you are having distribution checks sent directly to Willowbrook, be sure that the financial group sending them has your name on the check. Thank you for helping us get it correct now and not have to try to make is correct at the end of the year.

SUMMER BENJI DONATIONS HELP BACK-TO-SCHOOL CLOTHING DRIVE!

Thank you to all who donated to the Benji Fund over the past few months. Those donations were sent to Golden Gate Center to underwrite summer activities.

Summer donations through September will be used to support the Salvation Army's back-to-school clothing drive. In late summer, the Salvation Army brings children and volunteers to the Walmart on Lake Pleasant Parkway for the opportunity to buy new clothing. I know as a child, I always looked forward to shopping with my mom for new clothing. To support this event, loose change offerings can be placed in the Benji jar in Wilson Fellowship Hall. You can also donate by check. Simply indicate "Benji Fund" in the memo section.

THANK YOU TO EVERYONE WHO HELPED WITH VACATION BIBLE SCHOOL!

THANK YOU'S To Karol Brecheisen and her husband John, retired UM ministers. Karol spoke movingly of the Christians in many countries around the world who are persecuted for their faith, but who nevertheless persist in witnessing. To our table leaders: Ron & Norma Hamilton, Judith Kliewer, Richard Meyer, Diane Nelson, Frank & Nancy Stynen.

To our music leaders: Jo Kozacek and Peggy Siebert for morning worship, and Frank & Nancy Stynen in Wilson Fellowship Hall.

To our kitchen helpers, who provided a delicious breakfast every morning: Murt Meierhenry, Arlene Davidson, Shirley Fisher, Debb Pearson, and Janet Sjoberg.

To those who gave our morning devotions: Marilyn Burmeister, Margaret Davis, Marty Kerns, Judith Kliewer, and Thelma Muse.

To our audio/visual techs: Edward Jones and Russ Koan. To Lynn Koan for her excellent skits and to everyone who performed them so well.

To Rev. Ron Hamilton for presiding at our communion service on Friday.

To Bev Ampersé and Jim Troyer for technical help and set-up.

To members of our Spiritual Enrichment committee for planning, decoration and implementation: Judith Kliewer (chair), Margaret Davis, Larry Helser, Lynn Koan, Edward Jones, Frank & Nancy Stynen.

Last but not least, thanks to everyone who contributed back-to-school items for the children of Golden Gate, part of Wesley Community Center. They (and we!) appreciate your generosity.
